

IT MADE EASY

IN TODAY'S BUSINESS LANDSCAPE MANAGED IT SERVICES ARE NO LONGER A LUXURY, **THEY ARE A NECESSITY TO PROTECT YOUR INTERESTS AND REVENUE.**

You have unlimited choices to monitor your network, maintain stability and keep your technology operations running smoothly. *See why growing businesses love the Netprotechs experience.*

TRADITIONAL, IN-HOUSE MANAGED IT SOLUTIONS

Single entry-level hires start at \$60k/year (\$5k/month)

Requires the cost and time of training

Overhead cost of IT tools and resources

No backup management if resource is unavailable

Inaccessible, constantly burdened, speaks in jargon

MANAGED IT FROM NETPROTECHS

Entire team of certified technicians starting at \$3k/month

Experienced professionals/
No training required

Tools and resources included/
No extra expense

Multiple professionals available
to help every day

Easy to get a hold of, easy to talk to,
and easy to work with.

THE CHOICE IS CLEAR. THE NETPROTECHS MODEL IS THE FUTURE OF MANAGED IT SERVICES! MANAGE YOUR IT OPERATIONS WITH AN EXPERIENCED TEAM FOR A FRACTION OF THE COST. PROTECT YOUR BOTTOM LINE WITH THE RIGHT TEAM.

MANAGED IT SERVICES CAN REDUCE YOUR RECURRING IN-HOUSE COSTS BY UP TO 40%, AND INCREASE EFFICIENCY BY 50 TO 60%.
